

FOR IMMEDIATE RELEASE

American Messaging Services, LLC partners with NASCAR Team Precision Performance Motorsports

LEWISVILLE, TX – February 20, 2014 – American Messaging Services, LLC (“American Messaging”) is pleased to announce it has signed a multi-year sponsorship arrangement with NASCAR Team Precision Performance Motorsports.

The partnership brings together two professional organizations uniquely focused on providing the best products and services to their customers. J. Roy Pottle, Chairman & Chief Executive Officer of American Messaging said “We are excited about our partnership with Precision Performance and look forward to attending various race events with our clients and using motorsports as a platform to create awareness of our products and services.”

Richard Gdovic, Vice President of Precision Performance said, “We very much appreciate our partnership with American Messaging and their multiyear sponsorship of our organization. Their level of commitment to our team will be matched by our commitment to bring them great value through the use of motorsports to market their products and services and to entertain their clients.”

About Precision Performance Motorsports

Precision Performance Motorsports is located in Yorktown, Virginia. The team competes in the NASCAR K&N Pro Series East. For more information and the race schedule please see: Facebook: Precision Performance Motorsports.

About American Messaging

American Messaging is one of the largest critical messaging companies in the United States delivering more than 5 million critical messages per day.
